

THE SMITHFIELD TIMES

VOL. 90 / NO. 34

SMITHFIELD, VA.

WEDNESDAY, AUG. 20, 2008

ONLY 50 CENTS

ALL ABOUT CATS

The IW humane society wants more "humane" language in feral cat regulations.
-- See page 8

A SCHOOL THAT'S FUN?

At the Tidewater Regional Governor's School, it's hard to tell who is having more fun: the students or teachers. This is summer school?
--See page 11

QUOTE OF THE DAY

"The one thing we can't do is add more houses and apartments without thinking of the impact on county roads."
-- John Doe, County Supervisor

You're going to be in more traffic

More people, same roads will be a 'train wreck'

Supervisors: Blame VDOT for slowing your driving

School \$upplies? No need to leave town

HOW MUCH YOU CAN SAVE

Here	Supplies: \$109.85
There	Supplies: \$110.31
Here	Gas: \$Minimal
There	Gas: \$7-plus
Here	Trip: Fast, easy, no stress
There	Trip: Crowds, hassles

FAST FACT

Only 20 Virginia counties have emergency alert systems. Most are in Northern Virginia.

THE BOTTOM LINE

Things you'll be talking about:

1 IW Emergency Alert System begins next week. Are you signed up and prepared?

2 Bright Beginnings program opened last week, starting its fifth year. Has it been worth the money? Share your thoughts at the online community forum at our web site.

3 The local area is growing fast. See a map online of where all the new homes, apartments and condos are planned to go and which roads will turn into parking lots. Go to smithfieldtimes.com

ON THE WEB

• Smithfield Hams, Inc. announces quarterly earnings.
• How will the bailout affect local small businesses?
